[FTC Safeguards Rule: What Your Business Needs to Know](#)

The FTC Safeguards Rule requires covered companies to develop, implement, and maintain an information security program with administrative, technical, and physical safeguards designed to protect customer information. Are you up on what the revised Rule requires?

[FTC's Privacy Rule and Auto Dealers: FAQs](#)

Auto dealers that extend credit, arrange financing or leasing, or give financial advice must notify customers about the information they collect, who they share it with, and how they protect it. Are you following the rules of the road?

[How To Comply with the Privacy of Consumer Financial Information Rule of the Gramm-Leach-Bliley Act](#)

Financial institutions covered by the Gramm-Leach-Bliley Act must tell their customers about their information-sharing practices and explain to customers their right to "opt out" if they don't want their information shared with certain third parties. Is your company following the requirements of the Privacy Rule?
